NOTES

- If you don't know the dog/handler combo running, check with the gate steward or if they are close, ask the handler on the line. It's easier to sort it out before the team runs.
- Remember to watch the judge NOT the dog (or handler).
- If you are unsure about ANY calls, tell the gate steward you will have to talk to the judge briefly BEFORE the next dog runs.
- Tell the timer how you want the time read to you.
- Never be afraid to ask questions.
